I Live a Lie

~I Live a lie~

I live a lie

And can't to tell

Even the friends

I know so well

It's not that I like it

Keeping secrets I mean

But you have to understand

What I have seen

It hurts so bad

Knowing what I over heard

And I wanted to cry

With every single new word

And now even though

This whole conflict is through

And my parents know that I know

I still don't know what to do
But I have to forget it
And get over my pain
To help defeat this evil
Cause that issue is main
I've got to get my own problem's
Out of my head
To help my friends
Just like I said
So though there are time's
When I just want to break down and cry
I just can't seem to tell my friends
How I live in a lie.

End
file.
